Subject(s)**Income Eligibility Scale****RFT 270**

Effective July 3, 2022, the Child Development and Care (CDC) Income Eligibility Scale has been updated with the most recent Federal Poverty Level (FPL) data. This data is from the annual update of the Federal Health and Human Services (HHS) Guidelines, released in January 2022.

The program entry limit was increased from 185 percent of FPL to 200 percent of FPL.

Note: Program entry is scheduled to adjust to 160 percent of FPL at a date that is currently TBD, but no later than the end of fiscal year 2023.

Reason: PA 87 of 2021.
